“A unique experience and thoroughly enjoyed by everybody. The activity encouraged (and required!) every member to contribute and work together in order to achieve the objective. This sets Escape Hunt apart from other team building activities we’ve tried in the past. Highly recommended!”

A team building day that wasn't cheesy

“We booked Escape Hunt as a team activity for our Professional Development day. The girls were lovely to deal with from first contact to on the day. The rooms were great and everyone seemed to have a fun time – a lot of comparisons and laughter on way back to work. Such a good idea for a team building activity that isn’t cheesy. Thanks to all.”

★★★★★

THREE TRUTHS AND A LIE

(45 – 60 mins)

- A fun and light-hearted way to get to know your colleagues more – always amazing what things you'll learn about them!
- Each player comes up with three truths and one lie about themselves
- For 10-15 minutes, the whole group mingles around and asks each other questions to get to know each other better
- Each player then presents their four statements and the group has to vote which one is the "lie" (or people can vote individually)
- The Best Liar is the player whose lie had the fewest votes

PRINT & PLAY ESCAPE GAME

(60 mins)

- An intense small group teamwork and problem-solving activity
- In small groups of 4 to 6, players are given a printed version of our popular escape room concept
- They must work together to crack the clues and solve the mission
- Example games include:
  - A Curious Tea Party
  - Stolen
  - The Murder on Christmas Eve
  - The School of Magic
  - Day of the Dead
  - Murder at the Mansion

SKETCH ARTIST

(45 – 60 mins)

- A humorous sketching and communication activity
- The group is divided into pairs and each pair sits back-to-back with one person the Sketch Artist and the other the Witness
- The Witness draws a suspect card and must describe the suspect to the Sketch Artist. The Sketch Artist draws their version of the suspect based solely on what the Witness describes
- Once done, each pair swaps roles, a new card is drawn and the new Sketch Artist completes their drawing
- The game continues for another round so every pair has 4 sketches each
- Each pair chooses their best and worst sketch for judging
- All best and worst sketches are displayed and the group votes for the winners

TEAM BUILDING ACTIVITY EXAMPLES

Our experience shows that the ideal program is a combination of an escape room followed by a team building activity. The idea is learning through play. We use game play to challenge people individually and in group settings.
