THREE TRUTHS AND A LIE

(45 – 60 mins)

- A fun and lighthearted way to get to know your colleagues more – always amazing what things you'll learn about them!
- Each player comes up with three truths and one lie about themselves
- For 10-15 minutes, the whole group mingles around and asks each other questions to get to know each other better
- Each player then presents their four statements and the group has to vote which one is the "lie" (or people can vote individually))
- The Best Liar is the player whose lie had the least amount of votes

PRINTED ESCAPE GAME

(60 mins)

- An intense small group teamwork and problem-solving activity
- In small groups of 4 to 6, players are given a printed version of our popular escape room concept
- They must work together to crack the clues and solve the mission
- Example games include:
  - A Curious Tea Party
  - Stolen
  - The Murder on Christmas Eve
  - The School of Magic
  - The Day of the Dead
  - Murder at the Mansion

SKETCH ARTIST

(45 – 60 mins)

- A humorous sketching and communication activity
- The group is divided into pairs and each pair sits back-to-back with one person the Sketch Artist and the other the Witness
- The Witness draws a suspect card and must describe the suspect to the Sketch Artist. The Sketch Artist draws their version of the Witness based solely on what the Witness describes
- Once done, each pair swaps roles, a new card is drawn and the new Sketch Artist completes their drawing
- The game continues for another round so every pair has 4 sketches each
- Each pair chooses their best and worst sketch for judging
- All best and worst sketches are displayed and the group votes for the winners

TEAM BUILDING ACTIVITY EXAMPLES

Our experience shows that the ideal program is a combination of an escape room followed by a team building activity. The idea is learning through play. We use game play to challenge people individually and in group settings.
