ESCAPE HUNT

EXCITEMENT. UNLOCKED.

# WHAT IS ESCAPE HUNT?

## NOUN

*Def:* Name given to **an hour of pure, unadulterated excitement**, during which you and your teammates lose yourselves in an incredible experience, working together to follow a series of fiendishly clever clues and escape a locked room.

## VERB

*Def:* The act of leaving humdrum everyday life behind for an hour of intense exhilaration, during which you and your teammates attempt to escape a locked room by following a series of wickedly cryptic clues.

# WHAT IS ESCAPE HUNT?

Escape Hunt is a real-life first person escape game concept

Teams of 5-6 are “locked” inside a room and must explore, solve riddles and clues to escape

Players need to be observant and use critical thinking skills to solve challenges and riddles

There is no strenuous physical activity involved. All you need is a healthy, working brain

Games are challenging, but can be solved with good teamwork, observation, problem-solving and communication skills

“Can't wait to come back... we had the whole complex booked with a group of 20 and everyone left raving about the room they played. Location is perfect to head to a cafe and share stories afterwards (without giving anything away of course!). Spread the word, people – everyone must try this.

We booked the Escape Hunt experience in two groups for a friend's birthday. It was a great experience, and we felt very accomplished after solving all of the puzzles! The staff were all so friendly and accommodating, overall it was a great night.
