**“Perfect for all ages”**  
I had my son's 12th birthday here and the kids absolutely loved it! The team were so friendly and helpful. They can't stop talking about how they escaped with two minutes to spare. Highly recommend for families and kids' birthdays too.

**“The perfect start to our hens night!”**  
We wanted something fun before dinner and Escape Hunt was perfect! Everyone got into it — even the mums! We laughed so much and it really set the tone for the night.

**“Best birthday ever!”**  
We booked Escape Hunt for my birthday and it was amazing! The puzzles were challenging but so much fun, and the staff made it super special with a few birthday touches. Everyone was laughing and cheering — way better than just going out for drinks.

**“The boys loved it”**  
We thought it'd just be a warm-up before the night out but ended up being one of the best parts of the day. So many laughs and a great way to get everyone involved.

## THREE TRUTHS AND A LIE

(45 – 60 mins)

- A fun and light-hearted way to get to know your colleagues more – always amazing what things you'll learn about them!
- Each player comes up with three truths and one lie about themselves
- For 10-15 minutes, the whole group mingles around and asks each other questions to get to know each other better
- Each player then presents their four statements and the group has to vote which one is the “lie” (or people can vote individually)
- The Best Liar is the player whose lie had the least amount of votes

## PRINTED ESCAPE GAME

(60 mins)

- An intense small group teamwork and problem-solving activity
- In small groups of 4 to 6, players are given a printed version of our popular escape room concept
- They must work together to crack the clues and solve the mission
- Example games include:
  - A Curious Tea Party
  - Stolen
  - The Murder on Christmas Eve
  - The School of Magic
  - The Day of the Dead
  - Murder at the Mansion

## SKETCH ARTIST

(45 – 60 mins)

- A humorous sketching and communication activity
- The group is divided into pairs and each pair sits back-to-back with one person the Sketch Artist and the other the Witness
- The Witness draws a suspect card and must describe the suspect to the Sketch Artist. The Sketch Artist draws their version of the Witness based solely on what the Witness describes
- Once done, each pair swaps roles, a new card is drawn and the new Sketch Artist completes their drawing
- The game continues for another round so every pair has 4 sketches each
- Each pair chooses their best and worst sketch for judging
- All best and worst sketches are displayed and the group votes for the winners

## TEAM BUILDING ACTIVITY EXAMPLES

Our experience shows that the ideal program is a combination of an escape room followed by a team building activity. The idea is learning through play. We use game play to challenge people individually and in group settings.
