ESCAPE HUNT

EXCITEMENT. UNLOCKED.

WHAT IS ESCAPE HUNT?

NOUN

Def: Name given to **an hour of pure, unadulterated excitement**, during which you and your teammates lose yourselves in an incredible experience, working together to follow a series of fiendishly clever clues and escape a locked room.

VERB

Def: The act of leaving humdrum everyday life behind for an hour of intense exhilaration, during which you and your teammates attempt to escape a locked room by following a series of wickedly cryptic clues.

WHAT IS ESCAPE HUNT?

Escape Hunt is a real-life first person escape game concept

Teams of 2-6 are “locked” inside a room and must explore, solve riddles and clues to escape

Players need to be observant and use critical thinking skills to solve challenges and riddles

There is no strenuous physical activity involved. All you need is a healthy, working brain

Games are challenging, but can be solved with good teamwork, observation, problem-solving and communication skills

HOW DO YOU ESCAPE HUNT?

1 STEP INTO A NEW WORLD

Assemble your best team of Escape Hunters. It's just you, four walls, the ceiling and the floor. The lock clicks. The clock ticks. Time is of the essence.

2 GET LOCKED IN AND CLUED UP

Use your eyes, ears and wits to find hints, crack the clues and solve your mission before time runs out.

3 BEAT THE CLOCK AND BREAK OUT!

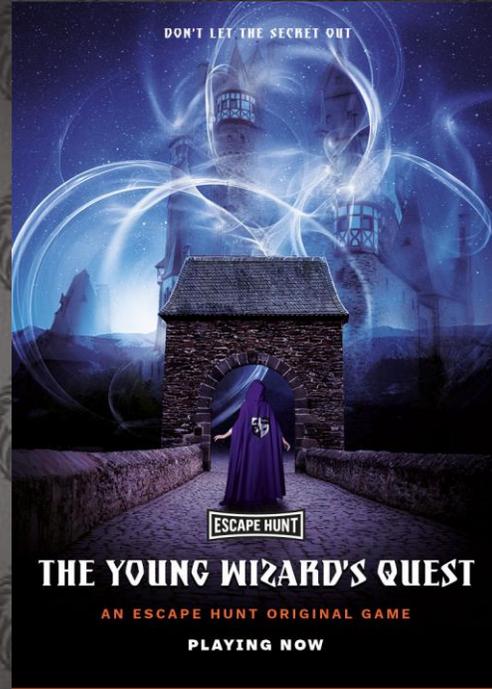

If you're one of the lucky ones that is. Celebrate your escape in our fully licensed event venue and large reception area.

YOUR TEAMS MATTER TO US

Escape Hunting is the ultimate team sport. You can only escape if you work together.

We love the idea of bringing people together through the power of entertainment. We want to give people the opportunity to share new experiences together, to discover new things about each other.

ESCAPE HUNT

WHY TEAM BUILDING AT ESCAPE HUNT?

At Escape Hunt your team will enter a themed room, with a mystery to solve that will lead to their escape. With 60 minutes on the clock and magnifying glass in hand, they will search for hidden objects, decode clues and solve puzzles to help them crack the case and escape the room!

TEAMWORK

Our puzzles can't be solved alone!

Teams need to work together and build trust in order to escape the room.

COMMUNICATION

The pressure of a ticking clock puts even the best communication skills to the test.

STRATEGY

Our escape rooms are an immediate way to demonstrate the impact effective strategy has on success.

CREATIVE THINKING

Everything is not what it seems at Escape Hunt. Teams will need to challenge their thinking to succeed.

FUN

Escape Hunt is above all, FUN! This is a team activity with a difference that you won't forget.

TEAM BUILDING – EXAMPLE ACTIVITIES

DETECTIVE DRAMA

(60 mins)

- ✦ Each player has to come up with two truths and one lie about themselves
- ✦ In pairs, players take turns playing the role of Detective and Suspect – the Detectives have ten minutes to ask the Suspects questions about themselves to gather information which may later be used to identify the “lie”
- ✦ A final ten minutes is allocated for the whole group to question anyone else in the group
- ✦ Each player then presents their three statements and the group has to vote which one is the “lie”
- ✦ The best Detective is the player who correctly guesses the most amount of lies and the Best Liar is the player whose lie had the least amount of votes

CRAZY LOOPS

(15 mins)

- ✦ Participants are organized into teams of two to play “crazy loops”
- ✦ These are wooden “handcuffs” connected by ropes. Each person puts on their handcuffs with the rope crossing such as they are now connected together. The object is to escape without taking off the handcuffs
- ✦ It makes for a pretty terrific party. We can expect lots of laughter, head scratching teamwork and communication to get through it

SKETCH ARTIST

(60 mins)

- ✦ In pairs, players sit back-to-back and take turns playing the role of Sketch Artist and Witness
- ✦ Each Witness take a Suspect Card and describes the suspect to the Sketch Artist who must draw their best impression of the Suspect
- ✦ Four rounds of 5-10 mins are played so each player gets to describe two suspects and draw two sketches – the pair then chooses their best sketch out of the four they have done
- ✦ The best sketches are presented to the group and everyone votes for the winning pair

TEAMWORK DEBRIEF

(45 – 60 mins)

- ✦ Using the same teams from the escape room activity, each team explores how they behaved and what they learnt along key leadership and teamwork competencies e.g. strategy, communication and leadership, problem solving, stress management etc.
- ✦ Teams come up with key learnings to take back to the workplace and share these amongst the wider group

DETECTIVE CHARADES

(45 – 60 mins)

- ✦ The group is divided into two teams and each player is given a game card
- ✦ Players take turns using mime to act out their game card
- ✦ The first team to guess the answer wins a point for their team – the winning team is the one with the most points after all the players have acted out their game cards

WHAT PREVIOUS TEAMS SAY

“ I organised a corporate event for ~30 people, and it was a fantastic experience. From an organisational point of view it was excellent. It was really fun and I received very positive feedback from the whole group. Overall, I highly recommend it!

Google Sydney

“ A unique experience and thoroughly enjoyed by everybody. The activity encouraged (and required!) every member to contribute and work together in order to achieve the objective. This sets the Escape Hunt apart from other team building activities we've tried in the past. Highly recommended!

Listed Equities, Macquarie Group

“ The site was very easy to use and they were extremely helpful and also flexible as we didn't have confirmed numbers until a few days before the event. The event itself was excellent; perfect for a corporate team building event - it was challenging, fun and we would definitely book again. Very convenient to the office being in the centre of the city.
