# FAQS

## WHAT EXACTLY IS ESCAPE HUNT?

Think of Escape Hunt as the closest you're likely to get to starring in a brilliantly plotted escape movie. You and your friends get locked in a themed room and have to find and solve a series of clues in order to escape.

Escape Hunt isn't something you watch, it's something you experience – right in the heart of the action. We make you earn your freedom, throwing all manner of devious and dastardly red herrings, dead ends and misdirections your way. It's completely immersive, utterly addictive and totally entertaining. After Escape Hunt, other entertainment just feels flat.

## HOW MUCH DOES IT COST?

Our party packages start from £27pp. We've a variety of options to personalise your package, including food, drinks and hire of our VIP lounge. To book your next party call us on 0118 950 5222. For groups of 10 or more, the party boy or girl gets to go for free.

## IS THERE AN AGE LIMIT?

Our escape rooms are designed for ages 8+, although under 16s need to be accompanied by at least one adult.

## HOW LONG DOES THE EXPERIENCE LAST?

Our party packages last a minimum of 90 minutes and can be tailored to suit your exact needs. In terms of the game itself, you'll spend around 60 minutes in the room (in fact that's the maximum time you've got in which to escape). Before that there's a briefing to explain everything, and afterwards you'll receive a personalised debrief from your dedicated Games Master, plus the opportunity of some extra time to enjoy a celebratory drink in our VIP party lounge.

## DO YOU SERVE FOOD AND DRINK?

We serve alcoholic and non-alcoholic drinks onsite. We can also arrange for food to accompany your game and if it's your birthday, we'll throw in a free cake for you to enjoy as part of the package. Get in touch with your local venue to find out more.

## HOW MANY PEOPLE CAN WE BRING?

Each of our rooms accommodate 6 players. Larger group? Get in touch with your local venue to discuss options for larger groups and playing across multiple rooms.
