## HELLO!

**WELCOME TO ESCAPE HUNT'S 'EASTER HUNT'  
- A DOWNLOADABLE ACTIVITY PACK TO KEEP  
THE WHOLE FAMILY ENTERTAINED!**

Filled to the brim with puzzles, colouring pages, jokes and exciting activities... It's an eggs-cellent way to keep your children entertained while they're out of school! We tackle the big questions, such as what kind of music the Easter Bunny likes best? Plus, unwrap brilliant Easter decoration ideas and an adorable 'Bunny Box' to hide those chocolate eggs from greedy siblings.

As well as colouring pages featuring your favourite Escape Hunt games, the whole download pack is in black and white to save printer ink! So why not let your little adventurers colour each and every page in their favourite colours? When they're done - don't forget to snap a picture and tag us in their creations at [@escapehuntuk!](https://twitter.com/escapehuntuk)
