ESCAPE HUNT

EXCITEMENT. UNLOCKED.

WHAT IS ESCAPE HUNT?

Escape Hunt is a real-life escape game concept.

Teams of 3-6 are 'locked' inside a room and must explore, solve riddles and crack clues to escape.

There is no strenuous physical activity involved. All you need is a healthy, working brain.

Players need to be observant and use critical thinking skills to solve challenges and riddles.

Games are challenging, but can be solved with good teamwork, observation, problem-solving and communication skills.

REMOTE DIGITAL ADVENTURES

If you are not able to come to us in West End we can host a digital adventure for your crew to play from their desk.

Playing from anywhere, players dial into a Zoom call to meet their game master who will facilitate a 60 or 75 min escape game experience.

It's the same thrill and excitement for teams who are geographically distanced.

HOW DO YOU ESCAPE HUNT?

1 STEP INTO A NEW WORLD

Assemble your best team of Escape Hunters. It's just you, four walls, the ceiling and the floor. The lock clicks, the clock ticks, time is of the essence.

2 GET LOCKED IN AND CLUED UP

Use your eyes, ears and wits to find hints, crack the clues and complete your mission before time runs out.

3 BEAT THE CLOCK AND BREAK OUT!

You've got 60 minutes to escape! And if you don't? There's there's always next time!
