# OUR GAMES

Choose from one of five adrenaline-filled escape experiences.

## ESCAPE THE WILD WEST

Step into the Wild West, where your frontier town has just struck gold but bandits are coming to steal everything you've worked for.

Working together, you've just one hour to get an old locomotive going and escape with your life – and your gold.

## BLACKBEARD'S TREASURE

Step onto a pirate galleon in the Caribbean, where you and your shipmates are trying to steal Blackbeard's treasure - the only problem is his ship is sinking fast and you're stuck on board.

You've one hour to work together and escape with the loot – or go down with the ship.

## THE FOURTH SAMURAI

Step into Ancient Japan. You are Japanese Samurai warriors. Your honour and your lives are at stake.

You have 60 minutes to destroy a mystical sword, or a fate worse than death awaits you.

## DOCTOR WHO WORLDS COLLIDE

Step into the future. Enter the offices of ChronosCorp HQ, where eccentric billionaire Alastair Montague's efforts to develop commercial time travel have caused a tear in the fabric of space and time.

In just 60 minutes the Cybermen will break through and attack Earth, and you, the Doctor's friends are all that can stop them. Take too long and the human race will be "upgraded".

## ALICE IN PUZZLELAND

Step into Wonderland, where the Hatter has been accused of stealing the Queen's tarts and Alice is nowhere to be seen.

You've just 60 minutes to find and return the tarts, or it's off with the Hatter's Head. Chop Chop.

### PLAY HEAD TO HEAD:

# FAQS

## WHAT EXACTLY IS ESCAPE HUNT?

Think of Escape Hunt as the closest you're likely to get to starring in a brilliantly plotted escape movie. You and your friends get locked in a themed room and have to find and solve a series of clues in order to escape.

Escape Hunt isn't something you watch, it's something you experience – right in the heart of the action. We make you earn your freedom, throwing all manner of devious and dastardly red herrings, dead ends and misdirections your way. It's completely immersive, utterly addictive and totally entertaining. After Escape Hunt, other entertainment just feels flat.

## HOW MUCH DOES IT COST?

Our party packages start from £25pp. We've a variety of options to personalise your package, including food, drinks and hire of our VIP lounge. To book your next party call us on 01865 244 822. For groups of 10 or more, the party boy or girl gets to go for free.

## WHAT ARE YOUR OPENING TIMES?

We're open Thursday to Sunday from 10am until 10pm.

## IS THERE AN AGE LIMIT?

Our games are designed for ages 10+, although under 16s need to be accompanied by at least one adult.

## HOW LONG DOES THE EXPERIENCE LAST?

Our party packages last a minimum of two hours and can be tailored to suit your exact needs. In terms of the game itself, you'll spend around 60 minutes in the room (in fact that's the maximum time you've got in which to escape). Before that there's a briefing to explain everything, and afterwards you'll receive a personalised debrief from your dedicated Games Master, plus some extra time to enjoy a celebratory drink on the house in our VIP party lounge.

## DO YOU SERVE FOOD AND DRINK?

We serve alcoholic and non-alcoholic drinks onsite. We can also arrange for food to accompany your game and if it's your birthday, we'll throw in a free cake for you to enjoy as part of the package. Get in touch with your local venue to find out more.

## HOW MANY PEOPLE CAN WE BRING?

We've four games rooms, each of which holds up to six players, so we can accommodate groups of between 6 and 24 people at any one time. Larger group? Just call us on 01865 244 822 and we'll see what we can do for you.
